Congratulations to Lauren Ater (pictured at the right) for winning the 90 second shopping spree at Community Market. Thank you to everyone who purchased tickets this year for the Outreach Centers. We raised a total of \$1,607 from the fundraiser!! A big Thank you to the members of Modern Woodman in Bellefontaine, who matched the amount raised and donated these funds to the Centers.

This month for the activity night with Justin from the OSU Extension Office, the kids at Chippewa and Russells Point Centers discussed doing a yearlong project that they will work on each month when he comes to the centers. They will then have an opportunity to present these projects at the county fair, or be involved in judging other projects. The kids at the Chippewa Center chose to do a project on their family history. They will begin jumping into this project this month when Justin comes to the Centers on Monday, October 14th. The kids at the RP Center will be discussing their options further when they come on this date.

Happy Halloween!

We will be decorating pumpkins at the Chippewa and Russells Point Centers on Wednesday, October 16th. Come and show your creativity in painting and decorating a pumpkin for you to take home.

The Centers will be taking kids from both centers on a reward trip to Get Air Trampoline Park for doing their homework and helping at the centers. The kids have been saving up their points from doing homework to be able to go. The Chippewa Center will be going on Friday, October 18th and the RP Center will be going on Wednesday, November 27th.

Saving Money Program

Come to the Center on Monday, October 16th to participate in a program that will talk about many areas around saving money.
