

Michael E. Yoder
Logan County Auditor
County Office Building
100 South Madriver
Bellefontaine, OH 43311

TO: Manufactured/Mobile Home Owner or Representative

FROM: Logan County Auditors Office

*Re: DTE Form 41 County Manufactured/Mobile Home
Registration Certificate/Ohio Revise code 4503.061*

*It is your responsibility to register your manufactured home in the county in which your manufactured/mobile home is located. This must be done within 30 days of purchasing or leasing of the home. If the home is new to Logan County, registration must also be completed. Failure to comply will result in a **PENALTY of \$100.00.***

The Logan County Auditor will give you a registration form when you pay your conveyance fee. If someone else is representing you such as an attorney or a realtor then they will have the responsibility of giving you the registration form. If home is leased and no conveyance fee is due at this time, the home still must be registered for tax purposes.

I have or a representative has received the registration form and fully understands my responsibility in returning the registration form. If I am a representative I realize it is my responsibility to inform the new owner of their responsibility.
